## East Hartford and Manchester Police honored at "Finest" events

Our programs to honor the men and women who protect and serve our communities as police officers continue to grow and expand our role in the community. This year we chose to honor officers from East Hartford and Manchester with a small dinner locally while encouraging participation in the Salute to Connecticut's Finest at the Aquaturf. Our honorees were Officer Stephen Camp of the EHPD and officers Kerri Rosa and Mark Yaglowski of Manchester. We bestowed plaques and municipal resolutions on them at our regular meeting and then made our presence known at the Aquaturf with 6 tables filled with our honorees, guests and members (more than any of the 15 other clubs that participated). The event featured Lt. Governor Michael Fidele and more honors for our "hometown heroes". The Journal Inquirer ran a photo of our event in a recent edition.

## Club celebrates Bob Kenary's retirement

Our April 24th meeting turned into a surprise retirement party for President elect, Bob Kenary. While Bob may have preferred less hoopla, it gave us all a chance to say thank you for his service with the EHPD. Hopefully, this will mean fewer "knuckleheads" for Bob and more time for his art, his motorcycles and the incredible child sexual abuse prevention programs he has developed. Best wishes Bob!
